Transform your TALKING MACHINE into Real Musical Instrument with the wonderful

**ACME REPRODUCER**

Its patented diaphragm of special composition instead of the ordinary mica plate eliminates the flat, metallic and unusual sounds, always annoying, and emits the full, free, resonant vocal or orchestral tones and overtones, especially those of the piano.

Used with vocal records you feel the very presence of the human voice.

More sensitive and responsive to the most delicate vibration of the needle than any other reproducer made, thus reducing the wear on your records.

Positively the greatest feature in Talking Machine development.

If you love real good music be fair to your instrument, give it
